

# ENROLMENT AND ORIENTATION POLICY 2021

---

## Mandatory – Quality Area 6

### PURPOSE

This policy outlines:

- the criteria for enrolment at Friend Street Kindergarten
- the process to be followed when enrolling a child at Friend Street Kindergarten
- the basis on which places within the programs will be allocated
- procedures for the orientation of new families and children into Friend Street Kindergarten
- processes to ensure compliance with legislative and DET funding requirements in relation to the enrolment of children in early childhood education and care services.

### POLICY STATEMENT

#### 1. VALUES

Friend Street Kindergarten is committed to:

- equal access for all eligible children
- meeting the needs of the local community
- supporting families to meet the requirements for enrolment through the provision of information
- maintaining confidentiality in relation to all information provided for enrolment
- ensuring all families are welcomed and receive an effective orientation into the service.

#### 2. SCOPE

This policy applies to the Approved Provider, Persons with Management and Control, Nominated Supervisor, early childhood teachers, Persons in Day to Day Charge, educators, staff and parents/guardians who wish to enrol or have already enrolled their child at Friend Street Kindergarten.

#### 3. BACKGROUND AND LEGISLATION

##### Background

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (Regulation 168(2) (k)).

It is intended that all eligible children (refer to *Definitions*) will have access to one year of kindergarten before commencing school. However, a shortage of places in some areas can limit choices for parents/guardians. Where demand is higher than availability, Approved Provider's must adhere to their eligibility and priority of access criteria (refer to *Definitions* and *Attachment 1*) policy in order to allocate the available places. The criteria used to determine the allocation of places takes account of the requirements set out in *The Kindergarten Guide* (refer to *Sources*), the service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2012*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children. Services participating in central enrolment schemes are required to comply with the enrolment procedures of that scheme.

Childcare services providing approved child care (refer to *Definitions*) must abide by the *Family Assistance Legislation Amendment (Jobs for families childcare package) Act 2017* (refer to *Legislation and standards*) and the Commonwealth Government's *Priority for allocating places in child care services* (refer to *Sources*).

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010* have legislative responsibilities under the *Public Health and Wellbeing Act 2008*

to only offer a confirmed place in their programs to children with acceptable immunisation documentation (refer to *Definitions*).

### Legislation and standards

Relevant legislation and standards include but are not limited to:

- *A New Tax System (Family Assistance) Act 1999*
- *Charter of Human Rights and Responsibilities Act 2006* (Vic)
- *Children, Youth and Families Act 2005* (Vic)
- *Child Wellbeing and Safety Act 2005* (Vic)
- *Disability Discrimination Act 1992* (Cth)
- *Education and Care Services National Law Act 2010*
- *Education and Care Services National Regulations 2011*: Regulations 160, 161, 162, 168, 177, 183
- *Equal Opportunity Act 2010* (Vic)
- *Family Assistance Legislation Amendment (Child Care Rebate) Act 2011*
- *National Quality Standard, Quality Area 6: Collaborative Partnerships with Families and Communities*
- *Public Health and Wellbeing Act 2008* (Vic)

## 4. DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

**Acceptable immunisation documentation:** documentation as defined by the *Immunisation Enrolment Toolkit for early childhood education and care services* as acceptable evidence that a child is fully vaccinated for their age, or is on a recognised catch-up schedule if their child has fallen behind their vaccinations; or has a medical reason not to be vaccinated; or has been assessed as being eligible for a 16 week grace period.

**Approved child care:** Approved child care services are services that have Australian Government approved to receive Child Care Subsidy (refer to Definitions) on behalf of eligible parents. Approved child care includes centre based day care, including long day care and occasional care, family day care, outside school hours care and in home care. *Friend Street Kindergarten is not in this category.*

**Authorised nominee:** (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. Each service will need to consider a risk assessment on an individual basis to determine if a person under the age of 18 is able to be an authorised nominee and, if so, what constitutes the minimum acceptable age at that service.

**Child Care Subsidy (CCS):** A Commonwealth Government means tested subsidy to assist eligible families with the cost of child care. Payments are paid directly to approved child care providers. Further information can be found at: <https://www.education.gov.au/child-care-subsidy-0>. *Friend St. Kindergarten families cannot claim this subsidy for fees.*

**Children with additional needs:** Children whose development or physical condition requires specialist support or children who may need additional support due to language, cultural or economic circumstances (refer to *Inclusion and Equity Policy*).

**Deferral:** When a child does not attend in the year when they are eligible for a funded kindergarten place, or is officially withdrawn from a service prior to the April data collection. DET considers that this child has not accessed a year of funded kindergarten and is therefore eligible for DET funding in the following year.

**Eligible child:** A child attending an early childhood education and care service as described in the *Immunisation enrolment toolkit for early childhood education and care services* or a child in a kindergarten program who meets the requirements of both *The Kindergarten Guide* and the *Immunisation enrolment toolkit for early childhood education and care services*.

**Enrolment application fee:** A payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service.

**Enrolment application form:** A form to apply for a place at the service (see *Attachment 3: Enrolment Application Form*)

**Enrolment form:** A form that collects contact details, and personal and medical information from parents/guardians about their child. The information on this form is placed on the child's enrolment record (see below) and is kept confidential by the service.

**Enrolment record:** The collection of documents which contains information on each child as required under the National Regulations (Regulations 160, 161, 162) including the enrolment form; details of any court orders; and immunisation documentation as specified in the *Immunisation Enrolment Toolkit for early childhood education and care services*. Enrolment records are stored securely in the service due to their confidential nature.

**Fee:** A charge for a place within a program at the service.

**Priority of access:** in instances where more eligible children apply for a place at a service than there are places available, the service must allocate spaces using the criteria outlined in *The Kindergarten Guide* (refer to *Sources*), or if in receipt of the CCS, comply with the Commonwealth Government's policy for allocating places.

## Eligibility and priority of access criteria

### 1. Eligibility and priority of access criteria for the funded (4 and 5 year old) kindergarten program

The following children are eligible for attendance in the funded kindergarten program:

- children who have been granted approval to receive funding for a second year of kindergarten in accordance with *The Kindergarten Guide* available at: [www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx](http://www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx)
- children who were eligible to attend in the previous year, but:
  - deferred
  - withdrew from the service prior to the April data collection
- children who turn four years of age by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET (refer to *The Kindergarten Guide*, available at: <http://www.education.vic.gov.au/childhood/providers/funding/Pages/default.aspx>)
- children who are younger than the eligible age, but whose parents/guardians have submitted an early age entry request for their child to attend school the following year. This written request is to be directed to the regional office of DET, or the non-government school the child will be attending. A copy of the approval must be attached to the kindergarten application. Parents/guardians should note that very few requests are approved by DET. If the child attends kindergarten early, but does not proceed to school in the following year, they will be unable to access a second year of kindergarten unless they are deemed eligible by DET for having recognised developmental needs
- three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection may be eligible for the Early Start Kindergarten program. This scheme provides funding to enable children to attend a kindergarten program that is planned and delivered by an early childhood teacher for a specific number of hours. Details are available at: [www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx](http://www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx).

When demand exceeds availability, the Approved Provider will refer to the service's values, philosophy and *Inclusion and Equity Policy* to determine the priority of access. This will include:

- children who have received funding for a second year of kindergarten
- children who were eligible to attend in the previous year but deferred or withdrew from the service prior to the April data collection.
- priority of access criteria as outlined in *The Kindergarten Guide p.42* available at: [www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx](http://www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx)

Other considerations may include date of application, siblings already enrolled at the service, attendance in the three-year-old program and local community zoning.

After offering positions to high priority children Friend St. Kindergarten will then offer places in the following order to –

- children who have received funding for a second year of kindergarten.
- children who were eligible to attend in the previous year but deferred or withdrew from the service prior to the April data collection.
- Children who attended in the previous year (i.e. 3 year old kindergarten).
- Children who have siblings at the kindergarten during the same year
- Children whose siblings attended the kindergarten in past years
- Proximity to the kindergarten.
- All remaining positions will be allocated randomly using a computer generated system.

PLEASE NOTE: High priority children on a waiting list will receive priority of access. Every effort will be made to offer a place in the four year old group to children who attended the three year old group in the previous year.

## 2. Eligibility and access criteria for the three-year-old kindergarten program

The following children are eligible for attendance in the funded kindergarten program:

- Children are eligible for attendance in the three-year-old kindergarten program provided they have turned three prior to commencement.
- children who were eligible to attend in the previous year but deferred before the end of term one.
- children who turn three years of age by 30 April in the year they will attend kindergarten
- three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection may be eligible for the Early Start Kindergarten program. This scheme provides funding to enable children to attend a kindergarten program that is planned and delivered by an early childhood teacher for a specific number of hours. Details are available at: [www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria](http://www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria).

Children will only be able to attend a second year of three-year-old kindergarten in exceptional circumstances (after consideration by the Approved Provider) or when all eligible children on the waiting list have been offered a place.

The Approved Provider must determine eligibility and access criteria applicable to the service. Considerations may include:

- children recommended by an educator for an additional year in the three-year-old program
- siblings attending the service
- local community zoning.

At Friend Street Kindergarten parents/guardians must pay Term 1 fees even if their child/ren are ineligible to attend (i.e. turning three in February, March or April) to hold their place in the program.

When demand exceeds availability the Approved Provider will refer to the service's values, philosophy and relevant policies to determine the priority of access. This will include using the criteria below in the following order –

- High priority children as outlined in *The Kindergarten Guide p.42* available at: [www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx](http://www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx)
  - Children who were eligible to attend in the previous year but deferred or withdrew on or before the last day of term one.
  - Children who have siblings attending the kindergarten
  - Children whose siblings attended the kindergarten in past years
  - Proximity to the kindergarten
  - All remaining positions will be allocated randomly using a computer generated system.

- A copy of the child's birth certificate must be submitted with all applications.

- Applications will be entered on the waiting list using the eligibility and priority of access criteria.

#### 2. Offer of places

- Tentative places will be offered in writing to applicants in accordance with the eligibility and priority of access criteria of the service making clear that confirmation of places is not final until immunisation documentation has been received, assessed and found acceptable.
- Friend Street Kindergarten requires parents/guardians who have been offered a tentative place to provide acceptable immunisation documentation for assessment two months prior to the child first attending the service in order that a confirmed place can be offered.
- The documentation is assessed as outlined in the *Immunisation enrolment toolkit for early childhood education and care services* by the person responsible for the enrolment process on behalf of the Approved Provider. The Key Dates work form in the *Immunisation enrolment toolkit for early childhood education and care services* is used to determine the date at which immunisations must be up to date. The toolkit also provides guidance on assessing immunisation documentation to determine if a child is up to date or qualifies for an exemption. The following documents and resources can be accessed from <https://www2.health.vic.gov.au>:
  - The *Immunisation enrolment toolkit for early childhood education and care services* (search 'Immunisation enrolment toolkit')
  - The Key Dates work form (search 'Key Dates work form')
  - Hard copies of the immunisation resources (search 'immunisation resources order form')
- The acceptable outcomes of the assessment for offering a confirmed place are:
  - That the next due vaccine for the child on the ACIR Immunisation History Statement or the Immunisation Status certificate is within the acceptable timeframe for an enrolment, or;
  - That the child is on a recognised catch-up schedule if they have fallen behind with their vaccinations, or;
  - That the child has a medical reason not to be vaccinated, or,

- That the child has been assessed by Friend Street Kindergarten as being eligible for a 16 week grace period
- The person responsible for the enrolment process advises the parent/guardian in writing whether a confirmed place is offered and the enrolment can proceed.
- Parents/guardians who do not have acceptable immunisation documentation cannot be offered a place and are referred to Australian Childhood Immunisation Register or to an immunisation provider (refer to Appendix 4 – Letter for parents/guardians who do not have acceptable immunisation documentation).
- Offer of places in the three-year-old program/s and the funded kindergarten program will be made at the same time.
- Parents/guardians who do not wish to accept the offer of a tentative or confirmed place, or intend to withdraw their enrolment, are requested to notify the Approved Provider, or the person responsible for managing the enrolment process at the service, in writing as soon as possible.
- A fee of \$200 must be paid in accordance with Friend Street Kindergarten's Fees Policy by the date given in Letter of Offer to hold the place for the following year. This fee will be deducted from term 4 fees in the last year of attendance.
- An enrolment form and other relevant information will be provided by Friend Street Kindergarten to the parent/guardian after a confirmed place has been accepted and the fee has been paid.

Note: Places will not be allocated to children until any outstanding fees owed to the service by the family is paid, or a payment plan is agreed to between the family and the service (refer to *Fees Policy*).

Friend Street Kindergarten

[Insert date]

Dear [insert name]

Re: Enrolment at Friend Street Kindergarten for [insert year]

I am contacting you regarding your tentative place for [insert child's name] at Friend Street Kindergarten in the [insert 3 year old or 4 year old program] in [insert year].

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided acceptable immunisation documentation.

Acceptable immunisation documentation includes evidence that your child:

- is fully vaccinated for their age
- is on a recognised catch-up schedule
- has a medical reason not to be vaccinated
- has been assessed by our service as being eligible for a 16 week grace period.

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, we are unable to confirm a place at our service for [insert year] and your child's name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- [insert details of local government immunisation service]
- National Immunisation Information Line Tel. 1800 671 811
- Australian Childhood Immunisation Register Tel 1800 653 809
- Better Health Channel website: <https://www.betterhealth.vic.gov.au/no-jab-no-play>

Should you wish to re-apply for a place for [insert child's name], we are happy to accept a new enrolment application accompanied by acceptable immunisation documentation. The new application would be considered in line with Friend Street Kindergarten's Enrolment and Orientation policy.

Yours sincerely
